

«Integration of Belarusian scientists in the research program of the world's leading nuclear physics centers, [BelINP-2017](#)»

THE NATIONAL ACADEMY OF SCIENCES OF BELARUS invites you to take part in the first International Symposium **«Integration of Belarusian scientists in the research program of the world's leading nuclear physics centers, [BelINP-2017](#)»** that will be held on April 26-28 in Minsk, Belarus.

Symposium is organized by the National Academy of Sciences of Belarus in the frame of events of the announced Year of Science in the Republic of Belarus and is devoted to the intensification of participation of scientific and educational organizations of the country, Belarusian scientists, teachers, postgraduates and students in the conduction of research and educational programs at the premises of leading international nuclear physics centers.

Official languages of the Symposium – English, Russian.

Organizer of the Symposium:

The National Academy of Sciences of Belarus

Topics of the Symposium:

- Searching for cutting edge tasks for experiments in particle and high energy physics, development of the theory;
- New detecting and accelerating technologies;
- Radiation material science;
- Computing technologies;
- Technical and research capabilities of Belarusian nuclear physics R&D organizations.

Materials of the Symposium:

Materials of the Symposium are planned to be published as a separate booklet.

Venue:

The building of the Presidium of the NAS of Belarus: 66 Nezavisimosti Ave., Minsk, BY-220072, the Republic of Belarus.

Information:

Necessary information on the Symposium: information on the registration, registration fee payment, accommodation, etc. will be placed at <http://nasb.gov.by/npc>

Registration:

Participants will need to register at the website of the Symposium:
<http://nasb.gov.by/npc>

Registration fees:

Wire transfer before April 30, 2017 – 80 Euro;
Registration at the venue – 100 Euro.

Transport:

Symposium participants, coming and leaving through the Minsk National Airport, will get a free transfer: airport-hotel, hotel-airport.

Visa:

There is a visa-free entry and the visa-free stay in Belarus for up to **5 days** through the **border checkpoint at the Minsk National Airport**.

Deadline for abstract submission: March 25, 2017.

Confirmation of membership and program publication: March 31, 2017.

Address of the organizing committee:

Institute of Physics of the NAS of Belarus, 72 Nezavisimosti Ave.,
BY-220072, Minsk, Belarus
