

SECOND ANNOUNCEMENT

1st International Symposium
«**Integration of Belarusian scientists
in the research program of the
world's leading
nuclear physics centers**»
BelINP-2017

OFFICIAL WEBSITE <http://nasb.gov.by/npc/en>

APRIL 26-28, 2017 MINSK, BELARUS

Presidium of the NAS of Belarus

66 Nezavisimosti Ave., Minsk, Belarus

Symposium is organized by the National Academy of Sciences of Belarus in the frame of events of the announced Year of Science in the Republic of Belarus and is devoted to the intensification of participation of scientific and educational organizations of the country, Belarusian scientists, teachers, postgraduates and students in the conduction of research and educational programs at the premises of leading international nuclear physics centers.

Information about Committees: <http://nasb.gov.by/npc/en>

Official languages of the Symposium: English, Russian.

Topics of the Symposium:

- Searching for cutting edge tasks for experiments in particle and high energy physics, development of the theory;
- New detecting and accelerating technologies;
- Radiation material science;
- Computing technologies;
- Technical and research capabilities of Belarusian nuclear physics R&D organizations.

In addition, two events are planned for the Symposium:

- User Meeting on Neutron Technologies
- ICRANet-Minsk Workshop on Astrophysics and Cosmology

The Symposium scientific program will include plenary (40 min) and sectional reports (15 min), poster presentations, discussions. The Conference halls in the Presidium of the NAS of Belarus are equipped with projectors and beamers for computer presentation. Poster session hall will be furnished with the 1.5x1.0 m² panels.

Materials of the Symposium: we plan to publish the program with brief abstracts of the reports.

Deadline for **registration at the website** <http://nasb.gov.by/npc/en>
and abstract submission: **March 27**

Bank requisites for transfer of payment: <http://nasb.gov.by/npc/en>

Visa:

There is a visa-free entry and the visa-free stay in Belarus for up to **5 days** through the **border checkpoint at the Minsk National Airport**.

** If you arrive in Minsk via Moscow airports you need a transit Russian visa*

Some details may be found here:

<http://mfa.gov.by/en/visa/visafreetravel/e0ced19bb1f9bf2c.html>

Transport:

Symposium participants, coming and leaving through the Minsk National Airport, will get a free transfer: airport-hotel, hotel-airport.

Accommodation:

Participants of the BelINP-2017 will be accommodated in the **hotel “BELARUS”**

<http://www.hotel-belarus.com/en/>

Please, tell the key-word "BelINP" to the hotel staff during check-in/check-out.

Travel Hotel “Belarus” ↔ Presidium of the NAS (Nezavisimosti Ave., 66)

Take metro at the station “Niamiha” (in the direction of “Mahilioŭskaja”), travel to the next station “Kupalaŭskaja” and change the line (walk to the station “Kastryčnickaja”). Take metro in the direction of “Uručča” and travel to the station “Akademija navuk”.

Travel Presidium of the NAS ↔ Hotel “Belarus” (st. Storozhovskaya 15)

Take metro at the station “Akademija navuk” and travel to the station “Niamiha”

Registration of participants will take place on **Wednesday, 26th April** from **9.00 till 10.30** in the Presidium of the NAS of Belarus (Entrance Hall)

Social Program:

The symposium participants are expected to take part in various social events:

Wednesday, 26.04.17 (18:00 – 23:00) – Welcome Party.

Friday, 28.04.17 (13:00 – 19:00) – Excursion to the museum complex of Dudutki dedicated to ancient folk crafts and technologies.

IMPORTANT DATES

Registration Deadline

March 27, 2017

Conference work

April 26-28, 2017

Address of the organizing committee:

Institute of Physics of the NAS of Belarus, 72 Nezavisimosti Ave.

tel.: +375 17 2841433, fax: +375 17 2840879,
