**First announcement**

## Registration and submission of materials

Applications for participation in the conference are accepted from September 1 to the October 1, 2016:

- printed version please send to:

*prosp. Nezavisimosti, 66, Minsk, 220072, Belarus* with mark «Youth in Science – 2016» and scientific direction;

- electronic version has to be submitted through the form: <https://goo.gl/3Zqpd7> and sent by e-mail according to the scientific direction.

For participation in the conference, it is required to register through the form: <https://goo.gl/3Zqpd7> and send to the organizing committee:

- registration form (printed version), signed by participant;
- abstract (printed version), signed by author(s);
- two copies of the article (for young scientists and postgraduate students, printed versions), signed by author(s) (optional);
- cover letter of the scientific supervisor (for undergraduate and secondary school students);

Each participant will have 10 minutes for oral presentation, which has to be prepared in MS PowerPoint format.

The guidelines for articles formatting according to the requirements of the journal «Proceedings of the National Academy of Sciences of Belarus » are on the website(<http://nasb.gov.by/eng/publications/>) of the corresponding Series (Agrarian Sciences, Biological Sciences, Humanitarian Sciences and Arts, Medical Sciences, Physics, Mathematics and Informatics, Physical-Engineering Sciences, Chemistry and Earth Sciences; link [Instructions for authors](#)).

Conference materials of the young scientists, who made oral presentations on the conference and after additional reviewing in NAS Belarus, will be published in peer-reviewed supplement to the journal «Proceedings of the National Academy of Sciences of Belarus».

Abstracts format should be according to the template (Attached to First announcement). Abstract size - no more than one page.

According to the sections work, an electronic version of the proceedings of «Youth in Science – 2016» conference will be prepared.

**Abstracts and articles which do not meet the subjects of the Conference, requirements or sent after deadline will not be accepted for reviewing!**

## Conference fee

The following registration fees refer to participate at the conference (in Belarussian rubles, BYN):

- 25.0 BYN for young scientists and PhD students;
- 15.0 BYN for undergraduate and Master Degree students;
- There is no registration fee for scholars from secondary schools.

The conference fee entitles the registered participant the admission to all sessions, coffee breaks, one set of conference materials, and a certificate of attendance. Participants from secondary schools will receive one set of conference materials per presentation.

Foreign participants will pay the fee while registration on the arrival at the Conference in BYN by wire transfer with mark: **Registration fee for the conference «Youth in science – 2016»**.

## Banking details:
