

**International Conference  
«Days of Belarusian Science, Innovations and Investment»  
within the International Specialized Exhibition «EXPO-2017»**

**Astana,  
Republic of Kazakhstan**

# **PROGRAM**

**July 5-6, 2017**

July 5, 2017

**International Conference**  
**«Energy of the future: innovative technologies**  
**and methods for their implementation»**

Venue: Conference hall of hotel “Wyndham Garden Astana” (6/1, Turar Ryskulov Street, Astana)  
 Time: 09.00 – 14.00

09.00	REGISTRATION OF CONFERENCE PARTICIPANTS		
09.20	Opening speech	Kosovskiy Andrey	I Vice-chairman on Science and Technology of the Republic of Belarus, PhD of Economic Sciences
09.40	Opening speech	Sukalo Alexander	National Academy of Sciences of Belarus, Vice Chairman of Presidium, Dr. of Medical Sciences, Professor, Academician
10.00	The role of the Belarusian science in the development of the energetics future	Kosovskiy Andrey	I Vice-chairman on Science and Technology of the Republic of Belarus, PhD of Economic Sciences
10.20	Integration of renewable energy equipment into the Unified Energy System of the Republic of Belarus	Prudnikava Volha	Ministry of Energy of the Republic of Belarus, Deputy Minister
10.40	Potential of medical science of the Republic of Belarus	Filanyuk Vasyl	Ministry of Health of the Republic of Belarus, Head of the Department of Science, PhD of Medical Sciences  (Collaborators: Pinevich Dzmitry, Sachek Marina, Malakhava Irina, Dudina Tatyana)
11.00	Promising directions of introduction of green economy principles into the ecological policy of the Republic of Belarus	Germenchuk Maria	State institution «Republican center for hydrometeorology, control of radioactive contamination and environmental monitoring», First Deputy Head of the Center, PhD of Technical Sciences, Professor
11.20	COFFEE BREAK		
12.00	New materials and technologies – R&D of the Physical-Technical Institute of the National Academy of Sciences of Belarus	Mihlyuk Anatoly	State Scientific Enterprise «Physical-Technical Institute of the National Academy of Sciences of Belarus», Deputy Director, PhD of Technical Sciences
12.15	Application of self-propagating high-temperature synthesis for the production of ceramic materials from industrial waste for metallurgical furnaces	Zhukova Hanna	State Scientific Enterprise «Physical-Technical Institute of the National Academy of Sciences of Belarus», Head of Marketing and International Relations Department, PhD of Technical Sciences

12.30	New composite magnetic nanomaterial	Vetcher Alexander	SSPA «Scientific-Practical Materials Research Centre of the National Academy of Sciences of Belarus», Senior Researcher
12.45	Increasing of energy efficiency and enhancement of capability of high-energy secondary power supplies	Lapshyn Vadzim	Scientific-Research Institution «A.N. Sevchenko Institute of Applied Physical Problems» of the Belarusian State University, Leading Researcher of the Laboratory of Radio Holography, PhD of Physical-Mathematical Sciences
13.00	Laboratory facilities on Physics for specialist training in the field of energy-efficient technologies	Tivanov Mikhail	Belarusian State University, Head of the Energy Physics Department, PhD of Physical-Mathematical Sciences
13.15	WRAP UP OF THE CONFERENCE		
14.00	Lunch at one's own expense		
15.00	Scheduled negotiations with foreign partners on the basis of the National Pavilion of Belarus (with the assistance of the Commissioner's office), attendance of the pavilions of other countries participating in EXPO		

July 6, 2017  
**International Conference**  
**«Export opportunities and services in the field of education, health and investment projects»**

Venue: Conference hall of hotel "Wyndham Garden Astana" (6/1, Turar Ryskulov Street, Astana)  
 Time: 09.00 – 14.00

09.00	REGISTRATION OF CONFERENCE PARTICIPANTS		
09.20	Opening speech	Kosovskiy Andrey	I Vice-chairman on Science and Technology of the Republic of Belarus, PhD of Economic Sciences
09.40	Belarus beyond your expectations	Yavorskaya Tatsiana	The National Agency of Investment and Privatization, Deputy Head of Investor Servicing Department
10.00	Promotion of Belarusian medicines to foreign markets	Klimau Dzmitry	Department of Pharmaceutical Industry, Ministry of Health of the Republic of Belarus, Head of Marketing Department
10.20	Resources and services in the field of medical education of the Republic of Belarus	Roudenok Vasili	Educational establishment «Belarusian State Medical University», Vice-Rector for International Relations, Dr. of Medical Sciences, Professor
10.40	Development of medical tourism in the Republic of Belarus	Silyava Vladimir	Belarusian Medical Academy of Postgraduate Education, Head of the Professorial Medical-Consultative Center, PhD of Medical Sciences, Associate Professor

11.00	COFFEE BREAK		
11.40	Plasma technologies and equipment for waste processing	Khvedchyn Ihar	State Scientific Enterprise «The A.V. Luikov Heat and Mass Transfer Institute of the National Academy of Sciences of Belarus», Researcher
12.00	Processing of organic wastes and green economy	Maksimova Svetlana	State Scientific and Production Amalgamation «The Scientific and Practical Center for Bioresources of the National Academy of Sciences of Belarus», Head of vermitechnology laboratory, PhD of Biology
12.20	Biogas technologies in the agricultural industry of the Republic of Belarus	Kapustsin Mikalai	RUE « The Scientific and Practical Center of the National Academy of Sciences of Belarus for Agriculture Mechanization», chief of laboratory of using fuel and energy resources, PhD of Technical Sciences
12.40	Creation and Use of High-Performance Software Facilities Based On the «SKIF-GEO» Computer Systems in Prospecting for Hydrocarbon Deposits	Nedzvedz Aliaksandr	State Scientific Enterprise «United institute of Informatics Problems of the National Academy of Sciences of Belarus», Chief researcher, Dr of Technical Sciences
13.00	WRAP UP OF THE CONFERENCE		
14.00	Lunch at one's own expense		
15.00	Scheduled negotiations with foreign partners on the basis of the National Pavilion of Belarus (with the assistance of the Commissioner's office), attendance of the pavilions of other countries participating in EXPO
